

## MEMORANDUM OF UNDERSTANDING

North East Biosolids & Residuals Association  
Mid-Atlantic Biosolids Association

### Membership Pricing for Biosolids Related Training

By way of this Memorandum of Understanding, the Mid-Atlantic Biosolids Association (MABA) and the North East Biosolids & Residuals Association (NEBRA) agree that there are opportunities to provide member pricing for events related to Biosolids for the benefit of both memberships. This Memorandum of Understanding establishes the following principles that will govern the offering of member pricing:

**Membership** of both organizations can receive member pricing on training events centered around Biosolid topics, unless mutually agreed otherwise. Each organization agrees to supply the names and contact details for those requesting member pricing for verification.

**Financial and Administrative Functions** will be provided by the organization that is sponsoring the event. There will be no sharing of profit/losses between the organizations.

**Marketing** of events where member pricing will be offered by both MABA and NEBRA will include sharing the event information via email communications, website and social media. The host organization will develop all marketing materials and the participating organization will distribute the materials.

Agreed upon by:
